"Started reading this book and was into it right away. The characters were real and interesting. And you just knew something was going to happen you just did not know when..You fall in love with the romance between Mason and Angel and want for it to continue to escalate. And you are happy for their friends and their good times. Was not ready for the ending, but since there is going to be another book in this series, I am waiting for the story to continue. I highly recommend this book as a clean romance and beautiful love story."

"Sweet read! I loved this first book of Brenda Kennedy's. The love story was so sweet and spoke to me in such a way that I totally identified with the characters. I can't wait for book 2. Keep up the good work, Brenda! This is a tough business, but you have a gift. Love you!" ~ By Author CM Hutton

"I couldn't put this book down! A new Beginning", was one of those rare books where you get to experience the lives of the main characters through their eyes. You become intimate with their fears and strengths as they lead you along their paths of rediscovery. Brenda Kennedy's book is captivating, sensitive, tender and exciting. I can't wait to read her next book in the "Starting Over Trilogy, "Saving Angel"." ~By Author DB Jones "Diane B Jones

## A NEW BEGINNING BY BRENDA KENNEDY PDF

Angel Perez had a second chance at a new beginning. After the death of her Aunt Rosie, Angel followed the instructions of her aunt and packed up only a few of her belongings and headed to Florida. After moving into her Aunt Rosie's small cottage on Siesta Key Beach, she was quickly adjusting to her new life. After finding a job at an insurance company, Angel became friends with the two owners, Sara Roberts and Brea Kinsley. Sara and Brea made it their mission to fix Angel up on a blind date with their very handsome and single friend Mason Myles. Afraid that her past would catch up with her, Angel lived a very private life. When she met the tall, dark, and handsome Dr. Mason Myles, she knew she wouldn't be able to resist him. He swept her off her feet with his sexy, dimpled smile and charm. Living on the run from a very abusive boyfriend, Jim Davis, Angel lived in fear that Jim would somehow find her. After she revealed her abusive past and fears to Mason, Mason vowed to protect her.

snagged my attention right from the beginning and didn't let go

By Christina Badder

A New Beginning is a debut novel for Brenda Kennedy. The story snagged my attention right from the beginning and didn't let go. The story does deal with abuse and may not be for everyone.

After running from an abusive relationship Angel relocates to sunny Florida where by a twist of fate, she literally runs into Mason. After their chance meeting, Mason is intrigued and wants to know more about the dark haired beauty. As fate steps in again and the pair reunite on a blind date the next day, the chemistry really begins to shine.

Angel is a bit shy and tries to hold back at first because of her former relationship. But Mason does everything he can to soften her up and break down her barriers. He shows her the utmost kindness and respect, and is there for her every step of the way.

Is the past ever really left behind? As the story reaches its climax, the past starts to catch up to Angel. Will Mason be able to help her overcome what haunts her? Will she be able to let him in enough to reveal her past to him? What happens when the past invades the present?

This is book 1 of a three part series and does end on a bit of a cliff hanger, as I said it grabbed my attention from the beginning and at the end left me wanting more. I can't wait to dive into book 2 and get more Mason and Angel.

Abrupt ending...left hanging

By houstonmomof4

Very abrupt ending...cliffhanger. I don't appreciate that! I didn't enjoy the authors writing style enough to justify purchasing the next book.

Sooooo Disappointed

By katrinareads

I support Indie authors, so hate to post a bad review. There were several things wrong with this book. First, I hate cliffhangers. I don't mind a trilogy, as long as each book can stand alone. This one cannot. You have to purchase two more before getting the HEA. I will not be doing that. The book was poorly written, when POV'S were changed, entire conversations were repeated. The writing style was pedantic, the characters poorly developed, and many scenes were too descriptive. This author could benefit from a good editor. Good luck to her, but I am not going to take the bait and purchase the remaining two.
