It will not make you have bad habit, however it will certainly lead you to have far better habit to review book Alchemist: A Fable About Following Your Dream By Paulo Coelho.

Amazon.com Review

Like the one-time bestseller Jonathan Livingston Seagull, *The Alchemist* presents a simple fable, based on simple truths and places it in a highly unique situation. And though we may sniff a bestselling formula, it is certainly not a new one: even the ancient tribal storytellers knew that this is the most successful method of entertaining an audience while slipping in a lesson or two. Brazilian storyteller Paulo Coelho introduces Santiago, an Andalusian shepherd boy who one night dreams of a distant treasure in the Egyptian pyramids. And so he's off: leaving Spain to literally follow his dream.

Along the way he meets many spiritual messengers, who come in unassuming forms such as a camel driver and a well-read Englishman. In one of the Englishman's books, Santiago first learns about the alchemists--men who believed that if a metal were heated for many years, it would free itself of all its individual properties, and what was left would be the "Soul of the World." Of course he does eventually meet an alchemist, and the ensuing student-teacher relationship clarifies much of the boy's misguided agenda, while also emboldening him to stay true to his dreams. "My heart is afraid that it will have to suffer," the boy confides to the alchemist one night as they look up at a moonless night.

"Tell your heart that the fear of suffering is worse than the suffering itself," the alchemist replies. "And that no heart has ever suffered when it goes in search of its dreams, because every second of the search is a second's encounter with God and with eternity." --Gail Hudson

From Publishers Weekly

This inspirational fable by Brazilian author and translator Coelho has been a runaway bestseller throughout Latin America and seems poised to achieve the same prominence here. The charming tale of Santiago, a shepherd boy, who dreams of seeing the world, is compelling in its own right, but gains resonance through the many lessons Santiago learns during his adventures. He journeys from Spain to Morocco in search of worldly success, and eventually to Egypt, where a fateful encounter with an alchemist brings him at last to self-understanding and spiritual enlightenment. The story has the comic charm, dramatic tension and

psychological intensity of a fairy tale, but it's full of specific wisdom as well, about becoming self-empowered, overcoming depression, and believing in dreams. The cumulative effect is like hearing a wonderful bedtime story from an inspirational psychiatrist. Comparisons to *The Little Prince* are appropriate; this is a sweetly exotic tale for young and old alike. 50,000 first printing; \$50,000 ad/promo.

From School Library Journal

YA-- This simple, yet eloquent parable celebrates the richness of the human spirit. A young Spanish shepherd seeking his destiny travels to Egypt where he learns many lessons, particularly from a wise old alchemist. The real alchemy here, however, is the transmuting of youthful idealism into mature wisdom. The blending of conventional ideas with an exotic setting makes old truths seem new again. This shepherd takes the advice Hamlet did not heed, learning to trust his heart and commune with it as a treasured friend. Enjoyable and easy to read, this timeless fantasy validates the aspirations and dreams of youth.

ALCHEMIST: A FABLE ABOUT FOLLOWING YOUR DREAM

BY PAULO COELHO PDF

The Alchemist by Paulo Coelho continues to change the lives of its readers forever. With more than two million copies sold around the world, The Alchemist has established itself as a modern classic, universally admired.

Paulo Coelho's masterpiece tells the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found.

The story of the treasures Santiago finds along the way teaches us, as only a few stories can, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

My favorite book of all time!

By Jeff

The Alchemist is a gripping narrative about a young Andalusian shepherd named Santiago and his journey to find the greatest treasure in the world. This charming story follows Santiago on his journey to Egypt, after having a recurring dream of finding treasure there. Santiago travels across great distances and encounters crazy adventures in his quest for gold. Little does he know that the ultimate treasure is actually found deep within.

This dream was so prophetic that Santiago genuinely believed this was his ultimate goal in life. After deciding to travel to a Romani fortune-teller in a nearby town to discover its meaning, a gypsy woman tells him that there is a treasure in the Pyramids in Egypt.

Towards the beginning of his journey, Santiago meets an old king, named Melchizedek, who advises him to sell his sheep in order to travel to Egypt. He also introduces the idea of a Personal Legend, stating that your Personal Legend, "is what you have always wanted to accomplish. Everyone, when they are young, knows what their Personal Legend is."

The Alchemist Physical Cover Along the journey, Santiago meets an Englishman who is in search of an Alchemist and together they continue their search for treasure. As they travel through the Sahara desert, Santiago meets and falls in love with a beautiful Arabian woman named Fatima. After a brief period of time, Santiago asks Fatima to marry him, but she tells him that she will only marry him after he finds his treasures. Perplexed by this, Santiago later learns that true love will not stop one's Personal Legend, and if it does, it is

not true love.

Eventually Santiago meets a lone alchemist who teaches him about Personal Legends. He shares his wisdom that people want to find only the treasure of their Personal Legends but not the Personal Legend itself. The alchemist states,

“Those who don’t understand their Personal Legends will fail to comprehend their teachings.”

If you are looking for a book that will inspire courage, this is the one. No matter what your dream, goals or visions are, the universe will conspire to help you achieve the things you want, regardless of how insurmountable the task seems. You must live the life you truly desire to its fullest extent if you want to look back on a life having worth lived.

The essential message is that treasure is more worthy than gold.

Now I see what all the hype was about...

By Alexis

I purchased and began reading this book 2 years ago and, for whatever reason, I couldn't get into it. I found it incredibly dull and tedious and finally gave up halfway through.

A few weeks ago I took my mother to a dental appointment and opened my Kindle to see what I had available while I waited. I decided to give this book another try and started from the beginning, as I couldn't remember anything from what I read previously. I'm not sure what was different this time around, but I was completely engrossed and my 2 hour wait flew by! I continued to read whenever I found a chance and finished it within a few days. I now find myself constantly thinking of the story and relating it to my own life, as well as my friends and family.

It's a short and very simple story, but definitely worth reading!

A Hero's Journey

By NK Artist

A classic read for the past 25 years, this account of a Santiago, a shepherd boy, who sets out on a journey to find answers to his questions about life, has inspired many readers. His quest is aided by a Gypsy woman, a King, and an Alchemist who provided both wisdom and assistance in his search for treasure and meaning. This fable/parable/myth follows a traditional trajectory that emphasizes the importance of learning to see the world as it really is, living in the moment, and pursuing one's dreams, despite the obstacles one encounters.
