very good

By JuditNz

I bought this book for a friend who was taking conversation classes and he enjoyed the book very much. Told me that the front cover page bended in the first days, but I guess this is expected from the type of material of these books. Overall, the content and structure of the book seemed to help him very much to improve his conversation skills.

That's amazing, and save my a lot of money

By Jin Liu

This's my first time to buy online when I go to college. That's amazing, and save my a lot of money. The seller made me feel free to contact with, and I could get reply very soon which solve my problem. So, I feel this purchase is satisfactory, and I'll be back next time.
