I read the comic version of this as a kid and it was much better than the book

By Niven

This book takes FOREVER to get through - there is way too much backstory and way too many rabbit-trails. The movie got it right - focus on David's relationship with the gangs, specifically Nicky Cruz. Also there is inappropriate content for kids under 16. I read the comic version of this as a kid and it was much better than the book!

Incredible story of unconditional love and the power of God's love to change lives

By Louise M. Eldridge

Timeless proof of the miracles God can do when we surrender our will to him. One man began this ministry and never gave up on those who needed him the most. Incredible story of unconditional love and the power of God's love to change lives.

He enjoyed listening and talking about it

By amy

I read this to my 11 year old son, to help lay down a positive foundation to follow in his life. He enjoyed listening and talking about it; he would even remind me to read it at night.
