We will ask initially, have you much more times to go with shopping the books and hunt for the referred publication Finding Father Christmas & Engaging Father Christmas By Robin Jones Gunn in publication store? Lots of people may not have enough time to discover it.

Review

"Gunn is adept at denuding light fiction of its usual tics -mediocre prose, clichéd characters and predictable plots - and imbuing it with the hallmarks of literary fiction. The characters are multidimensional and ring true at nearly every turn." -- Publishers Weekly

"Gunn dishes up a perfect Christmas story about sacrifice, family, and the true meaning of love."?Library Journal, on Finding Father Christmas

"With deep warmth and charming poignancy, Robin Jones Gunn brings us a tale as timeless as Christmas."?Karen Kingsbury, New York Times bestselling author of This Side of Heaven

"With magical prose and a touching story, Robin has woven a heartwarming Christmas tale. Cozy up with a cup of tea and enjoy!"?Melody Carlson, author of Your Heart's Desire on Finding Father Christmas

"Robin Jones Gunn has an incredible way with storytelling. She never fails to hold my interest and always leaves me feeling blessed."?Tracie Peterson, bestselling author of The Ladies of Liberty series

FINDING FATHER CHRISTMAS & ENGAGING FATHER CHRISTMAS BY ROBIN JONES GUNN PDF

By beloved author Robin Jones Gunn, two timeless, heartwarming Christmas novellas bound together for the first time in an omnibus edition.

In **FINDING FATHER CHRISTMAS**, Miranda Carson's search for her father leads her unexpectedly to London with only a few feeble clues as to who he might be. Immediately welcomed into a family that doesn't recognize her, and whom she's quickly coming to love, she faces a terrible decision. Should she reveal her true identity and destroy their idyllic image of her father? Or should she carry the truth home with her to San Francisco and remain alone in this world? Whatever choice she makes during this London Christmas will forever change the future for both herself and the family she can't bear to leave.

In **ENGAGING FATHER CHRISTMAS** Miranda Carson can't wait to return to England for Christmas and to be with her boyfriend, Ian. She has spent a lifetime yearning for a place to call home, and she's sure Carlton Heath will be it, especially when a hinted-at engagement ring slips into the conversation. But Miranda's high hopes for a jolly Christmas with the small circle of people she has come to love are toppled when Ian's father is hospitalized and the matriarch of the Whitcombe family withholds her blessing from Miranda. Questions run rampant in Miranda's mind about whether she really belongs in this cheery corner of the world. Then, when her true identity threatens all her relationships in unanticipated ways, Miranda is certain all is lost. And yet . . . maybe Father Christmas has special gifts in store for her after all.

About the Books:

By beloved author Robin Jones Gunn, two timeless, heartwarming Christmas novellas bound together for the first time in an omnibus edition.

In FINDING FATHER CHRISTMAS, Miranda Carson's search for her father leads her unexpectedly to London with only a few feeble clues as to who he might be. Immediately welcomed into a family that doesn't recognize her, and whom she's quickly coming to love, she faces a terrible decision. Should she reveal her true identity and destroy their idyllic image of her father? Or should she carry the truth home with her to San Francisco and remain alone in this world? Whatever choice she makes during this London Christmas will forever change the future for both herself and the family she can't bear to leave. In ENGAGING FATHER CHRISTMAS Miranda Carson can't wait to return to England for Christmas and to be with her boyfriend, Ian. She has spent a lifetime yearning for a place to call home, and she's sure Carlton Heath will be it, especially when a hinted-at engagement ring slips into the conversation. But Miranda's high hopes for a jolly Christmas with the small circle of people she has come to love are toppled when Ian's father is hospitalized and the matriarch of the Whitcombe family withholds her blessing from Miranda. Questions

run rampant in Miranda's mind about whether she really belongs in this cheery corner of the world. Then, when her true identity threatens all her relationships in unanticipated ways, Miranda is certain all is lost. And yet . . . maybe Father Christmas has special gifts in store for her after all.

My Thoughts:

Robin Jones Gunn is one of my favorite authors. I read her books as a young teenager, college student, and now as an adult. God has used her writing to encourage me in some very difficult seasons of life. Recently, two of her novellas were updated and released again to celebrate the upcoming Hallmark Christmas movie based on the books.

These novellas are two of my favorites, and reading them is a delight to my soul. Robin's writing is very compelling, and makes the reader feel part of the story. Set at Christmas time in England, the books take you on the personal journey of a young woman looking for her father, but what she finds is more than she ever imagined. Filled with a heartwarming story of family and the right amount of romance, these books are a must read. Plan to read these when you have no other plans because you will not want to stop. I cannot wait to read her latest installment called "Kissing Father Christmas," which I know will not disappoint. Be sure to stay tuned for my review of that one soon. Grab your favorite cup of tea, and your favorite cozy chair, and begin. Happy reading!

I was given these books by Netgalley in exchange for my review.

A delightful heartwarming story of finding love in the Christmas season in the most delightful way!

By Pirate2240

I am so delighted when an exceptional novel gets to be made into a movie, and that is just what is happening to Robin Jones Gunn's novels Finding Father Christmas and Engaging Father Christmas. In fact since the movie is due out in December on the Hallmark Channel, the novels have been combined to allow the reader to discover how it all turns out in one spectacular seamless story line just as the movie will do. So if you are looking for a wonderful contemporary Christmas romance, trust me and pick this one up.

In Finding Father Christmas, Miranda Carson's been searching for her biological father based only on a handful of clues her mother left behind as an actress. She apparently had a brief love affair with a man who she refused to divulge to Miranda and only upon her death did she uncover a faded old black and white photo of a child in the lap of Father Christmas and an old playbill of her mother's with an apparent reference to who might be her father in it. Since Father Christmas is only recognized in London, England as well as the photography studio's name on the back of the photo, she believes that is the first place she should begin her search. After she learns that the photo studio has long been sold, she struggles for help with those in a small town of Carlton Heath, who may just know where her legacy lies. She only wishes to know who her father is, not try to upset those who may not be happy with what she uncovers and what that may mean to the family who has never heard of Miranda.

In the sequel to Finding Father Christmas, Engaging Father Christmas has led Miranda to the discovery of who her father was and the family she now has the chance to meet. However, happily ever afters seem to be only in the fairy tales, as rumors swirl of Miranda's birth and how that affects the family name of one of London's most influential families. It could spell disaster or it could bring about the only thing Miranda has ever dreamed of and that is knowing that she isn't alone in the world anymore and that she has a family who could love her if only given the chance. Is there more than the love of her family waiting or does Father Christmas have more than she could have ever wished for?

I received Finding Father Christmas/Engaging Father Christmas by Robin Jones Gunn compliments of Faith Words, a division of Hachette Book Groups for my honest review. I did not receive any monetary compensation aside from a copy of this book in exchange for my unbiased and personal opinion. I absolutely LOVED this book and it reminds me of what I always envisioned for a small town of Carlton Heath set in London, England. Some quirky but lovable characters, heart-warming small town charm, and lots of romance to be found that isn't over the top obvious, even though you know how it might all play out. You want a bit of tension that it might not work out so easily and that you fall in love not only with the main characters but all the secondary supporting ones as well. My favorite was Ellie. You just never know what she will be dressed up as, and she truly loves what she does. It does make me want to watch A Christmas Carol all over again, but more than that, to appreciate the present more than ever before! I'd easily give this a 4.5 out of 5 stars. Don't forget to pick up the 3rd novel, Kissing Father Christmas due out in October!

Find CHRIST in CHRISTmas

By joyful334209

In Finding Father Christmas, Miranda Carson invites you to be her guest and join her into the book - you literally feel like you are her friend inside the book with her on her journey. Her Mother - an actress - refuses to tell her anything about her Father - her Mother dies and she finds some clues her mother left behind a faded old black and white photo of a child in the lap of Father Christmas and an old playbill of her mother's with an apparent reference to who might be her father in it. Now Father Christmas is only in London, England - so as you and I would do - being her guest we all go to London to find her Father - she goes to London and finds the photo shop and that leads to a small town called Carlton Heath and when she gets there - you will not believe what happens - well sheyou know I cannot tell you - it would ruin it - you need to go and get it - it is worth every Penny

Now as for the second book Finding Father Christmas, I am not going to say very much - Miranda meets the people in Carlton Heath and they.....well What happens to Miranda? Will she ever meet her Father Christmas? What happens when she gets involved with the town? Is there anything special that happens? Ya'll you have to get this book - it is so worth it.
