## **Review**

“....a sad story but a very illuminating one, and the book is an enthralling read.”—Peter Dickinson, Gramophone (Peter Dickinson Gramophone 2011-09-01)

“Larry Starr's valuable new book...is not a traditional biography...but rather an insightful, technically intricate yet easy-to-follow study of Gershwin's music, particularly as it came out of the Broadway tradition.”—Tim Page, The Washington Post

(Tim Page The Washington Post)

“If George Gershwin provided much that the world's listeners have savored as America's musical daily bread, Larry Starr's spirited book goes a long way toward showing how he did it.” —Richard Crawford, author of America's Musical Life: A History (Richard Crawford)

## **About the Author**

Larry Starr is a Professor of music history, University of Washington. He lives in Seattle.

## **BY LARRY STARR PDF**

In this welcome addition to the immensely popular Yale Broadway Masters series, Larry Starr focuses fresh attention on George Gershwin's Broadway contributions and examines their centrality to the composer's entire career. Starr presents Gershwin as a composer with a unified musical vision—a vision developed on Broadway and used as a source of strength in his well-known concert music. In turn, Gershwin's concert-hall experience enriched and strengthened his musicals, leading eventually to his great “Broadway opera,” *Porgy and Bess*. Through the prism of three major shows—*Lady Be Good* (1924), *Of Thee I Sing* (1931), and *Porgy and Bess* (1935)—Starr highlights Gershwin's distinctive contributions to the evolution of the Broadway musical. In addition, the author considers Gershwin's musical language, his compositions for the concert hall, and his movie scores for Hollywood in the light of his Broadway experience.

An Illuminating Peek behind the Scene

By T. Margrave

The musical repertoire created by the Gershwin brothers has always mesmerized me with its unique blend of rhythm, melody, and lyrics. From this book I have learned a great deal of interesting detail about its composition, but I am still of the mind that their music is not wholly analyzable due to its intangible magic.

More Great Lessons on Gershwin

By karengersh

A well written book about the need for more attention to the most famous theater works of George and Ira Gershwin. Including Porgy and Bess,

the author discusses the impact of the musicals and songs that have stood the test of time .

Some analytical discussions of the songs

give insight to the Gershwin style and sound.

Some very interesting photographs.

Another essential in the study of the composer, his life and works.

An Enjoyable Time with Gershwin

By Maralyn D. Hill

Larry Starr does an outstanding job with his selection and performance of George Gershwin's music. With that said, it would be more of a challenge not to do well with such fine music. But Starr's talent shines through.
