The collection of quotes it contains is remarkable

By Ali Julia

"How to Succeed" was written in 1896. The book aims to provide inspiration that would help a person to succeed in life.

Each chapter starts with quotes from various famous people making a point relevant to the topic of the chapter. I really enjoyed the quotes. These quotes are probably the best part of this book.

The book does not reveal any big secrets about how to succeed, rather it provides inspiration for being successful. It suggests not to lose your individuality, be able to stand up for your convictions, to find a way to improve on methods people use and finding that something special that is in demand will propel you to making a fortune.

Some of the language in the book is rather sexist, for example here is a paragraph from "Seize Your Opportunity":

"Of thousands of young women trying to get a living at typewriting, many are so ignorant, so deficient in the common rudiments even, that they spell badly, use bad grammar, and know scarcely anything of punctuation. In fact, they murder the English language. They can copy, "parrot like," and that is about all."

When you read old books you notice how the society changed. It makes you feel good that something like

that is not likely to be accepted if it was written today.

Table of content:

Be a Man,  
Seize Your Opportunity  
How Did He Begin?  
Out of Place  
What Shall I Do?  
Will You Pay the Price?  
Foundation Stones  
The Conquest of Obstacles  
Dead in Earnest  
To Be Great, Concentrate  
At Once  
Thoroughness  
Trifles  
Courage

Guard Your Weak Point  
Stick  
Save  
Live Upward  
Sand  
Above Rubies  
Moral Sunshine  
Hold Up Your Head

Overall, it was a quick and easy read. The collection of quotes it contains is remarkable! I think reading this book is worth your time!

The Price of Success!

By Book Lover

"Obstacles are like wild animals. They are cowards but they will bluff you if they can. If they see you are afraid of them...they are liable to spring upon you; but if you look them squarely in the eye, they will slink out of sight."

It is pearls of this type of wisdom that you will find in this book and that will make you want to say 'YES! I can do it!!' So go for it...this is a superb and remarkable work on the success journey anyone can benefit from reading, no matter what they do for a living. Just Awesome!!!
