Review

Into A Raging Sea, has been selected as the first book in the US Coast Guard's 2016 Commandant's Reading List, written by Coast Guard Commandant Adm. Paul Zukunft.

The Admiral gushes: "When I introduced my leadership philosophy a year ago, the first principle I shared was know your purpose. *Into a Raging Sea* is a personal memoir by a Coast Guardsman who truly knew his purpose and then some. This Coast Guardsman is Bernard Webber, coxswain of motor lifeboat CG-36500, from Station Chatham, Massachusetts. His and his station's story will be featured on the big screen when *The Finest Hours* premieres later this month. Until then, you can hear directly from Webber himself in raw, candid text about his role in the Pendleton rescue and what life was like at Station Chatham in the 1950s."

About the Author

Bernie Webber, the late US Coast Guardsman, is credited for piloting the boat that is responsible for the "greatest small boat rescue" in the history of his service. He is the hero of the book and movie, "*The Finest Hours*," and is played in the movie by actor Christopher Pine.

Michael Tougas is a lecturer and best-selling author of 20 books. As a public speaker, Tougas regularly gives one hundred presentations or more per year. His books include "*The Finest Hours*," currently being made into a movie by Disney. He lives in Plymouth, MA.

INTO A RAGING SEA: MY LIFE AND THE PENDLETON RESCUE BY BERNIE WEBBER PDF

Most people familiar with the name Bernie Webber associate him with the miraculous rescue of 32 men off of the stern of the Pendleton, made famous in the book and movie *The Finest Hours*. Rescuing 32 sailors from a sinking ship caught in a ferocious winter storm is a dramatic tale, but what made this mission so special is that the boat Bernie skippered that terrible night was a mere 36 feet in length and the waves were almost twice that size! Bernie and crew received the Coast Guard's coveted Gold Lifesaving Medal, and what they did on that stormy night is regarded as the greatest small boat rescue in history.

In *Into A Raging Sea*, Bernie tells that story, but the book is so much more than that. In these pages you'll read about rescue attempts that did not turn out well, stories of fishermen from a time long past, rescues done with the by-gone technique of the "breeches buoy," humorous anecdotes, and what Cape Cod and its people meant to Bernie.

Into a Raging Sea is a story of sacrifice, bravery, disappointment, and challenges. And in the background of Bernie's journey is one constant, the sea.

with a new introduction by Michael Tougias (author of *The Finest Hours*). Since no one yet has reviewed this ...

I bought and read the original version of this book (*Chatham: The Lifeboatmen ...*) several years ago. Into the Raging Sea is a republication of *Chatham: The Lifeboatmen*, with a new introduction by Michael Tougias (author of *The Finest Hours*). Since no one yet has reviewed this book, I am submitting my original review below:

I bought this book because I have spent many summers in Chatham and I am interested in the town's history. I found this book to be an especially good read, not because it is a particularly well-written book (it's not), but because the book is written from a very personal point of view. It is the author's personal insights, expressed in his own words, that make this book worth reading. Not only does Bernard Webber discuss his role in the rescue of the crew of the S.S. Pendleton with great candor, he also gives the reader a peak into the day-to-day experiences of Coast Guard service during the mid 1940s through the '60s (and incidentally, what life was like in Chatham during the '50s).

I think anyone interested in Coast Guard history and/or Chatham history will enjoy this book. Anyone particularly interested in the Pendleton rescue (or in marine rescues in general) will find Webber's narrative especially illuminating.

Great rerelease of Bernie Webber's original book "The Lifeboat Men"

By William H. Woodward

Great rerelease of Bernie Webber's original book "The Lifeboat Men". It will be most significant to those who know and respect the ocean and even more so to anyone from Cape Cod or who ever served in the U.S. Coast Guard.

Great heroic story which was the basis for the recently released movie "The Finest Hours"
