When a very young child, my mother read this ...

By David K. Roller

When a very young child, my mother read this book to me many times. (English version) She always would have me repeat the phrase "I think I can, I think I can..." that became a positive affirmation at a young age. And I did the same with my three children. Over the years I've bought many copies for friends who have young children.

Perfecto!

By MOUNTAIN LADY

How nice to see one of the 'classics' in another language. Our bilingual grandson loves it, as does the rest of the family.
