are photos of the many beautiful dolls that were available to the public for one ...

By Charles Ognibene

I have a copy of this book... It is a facinating tome about Lestoil Dolls... It tells of its early development, progress and the people involved in

promoting and using the dolls as a premium to increase the sales of Lestoil, a liquid detergent...

Included, are photos of the many beautiful dolls that were available to the public for one dollar and the label from the Lestoil bottle, which at that time sold for 39 cents...

A most interesting history about the promotion of a product... C.Ognibene

Brings Back Wonderful Memories!

By Amazon Customer

Beautiful book! It brings back such good memories of my youth. My sisters and I collected many of these dolls and proudly displayed them for many years. I can remember the eager anticipation of opening each box to see our newest addition. Little Lestoil Ladies also offers a detailed history of Lestoil and the Lestoil family, of which I am proud to be a member! Thank you Ms Bowden for this book that is so near and dear to my heart.
