DUNEA HAS DONE IT AGAIN!

By prufrock llc

i don't know how ms. dunea did it, but she managed to make another EXQUISITE book on this clever concept. her photos all reflect the personality of the subject with creativity and a whimsical feeling; the selection of chefs is wonderful; recipes interesting (and work!) ; and, of course, quality of the book excellent. a MUST for the coffee table and the holiday gift list!

I purchased this book after seeing the author on TV discussing the concept and recipes with some celebrity chefs featured in the book. I knew I had to run out and get a copy. Its a truly amazing book and a must have for any foodie! I have since bought several copies to give as holiday gifts to friends and fellow food lovers this year! Not only do we get a glimpse inside the world of all these amazing chefs but the recipes are fabulous and the photography stunning.

This book is a must have and I highly suggest it to anyone who enjoys all things food.
