SHERLOCK HOLMES AND THE ADLER PAPERS BY JOHN HALL PDF

In this highly thrilling mystery, Sherlock Holmes and his companion Dr Watson embark on a mission to find a stolen photograph in order to save the King of Bohemia.

A year prior to this, Holmes and Watson had been on a similar adventure, trying to retain this same photograph from the grasp of the clever Mrs Norton (then Miss Adler).

However, with that mystery resolved to the satisfaction of the King, the original photo has now been stolen from Mrs Norton by Karl, his illegitimate brother, and his cousin, Gottfried who would inherit the throne should anything happen to the current King.

The photograph shows evidence of a scandal that will threaten the idea of a peace treaty to be signed by Scandinavian royalty.

Unless the Bohemian King abdicates from the throne, the photos and letters will be shown publicly, the Scandinavian king would not then sign the treaty and as a result there would be a terrible civil war.

Mrs Norton, the subject of the picture, leads the of men on a chase that is seemingly simple, but as soon as Holmes and Watson arrive in Bohemia, there are complications and a thread of lies that make it a harder for Holmes and Watson to get to the bottom of the problem.

It is a journey that both Holmes and Watson find to be full of twists and turns right until the very end. The question is, can the two men solve the crime in time before all enemies of the King rise to power?

'Sherlock Holmes and the Adler Papers' is a thrilling mystery from bestselling author John Hall.

Praise for John Hall:

'A treat for any Holmes fan.' - Tom Kasey, best-selling author of 'Trade Off'.

John Hall spent many years in the civil service before becoming a professional writer specialising in crime fiction. His book 'Death of a Collector' won the Sherlock magazine's competition for the best new fictional detective. He is also the author of 'Sherlock Holmes at the Raffles Hotel' and 'Sherlock Holmes and the Hammerford Will'.

Disappointing...

By Rory Coker

Holmesians are well aware that the ending of "A Scandal in Bohemia" is highly unsatisfactory for both Holmes and the King of Bohemia, whom Irene Adler, his former lover, is in an excellent position to blackmail. In his latest Holmes pastiche, John Hall takes this situation up again about a year after the events of "Scandal." Irene Norton says she needs to consult Holmes, but vanishes on the way to 221B Baker Street. Apparently kidnapped and left to die, Norton is rescued by Holmes and Watson... but her account of the new situation that threatens the King and herself is highly unsatisfactory and probably pretty close to an outright lie. Instead of refusing to take the case, as Conan Doyle's consulting detective always did when faced with a client who refused to explain the real situation, Holmes and Watson wind up in Bohemia in what is pretty certain to be a wild-goose chase, and both Holmes and Watson bumble in some pretty inexplicable ways, with Watson coming perilously close to being a comical sidekick more than once. The quest to recover the famous letters and photo supposedly stolen from Irene Norton succeeds with ridiculous ease, considering the planless, gormless, painfully unintelligent approaches adopted by Holmes. And then the fact that Mrs. Norton lied suddenly assumes deadly importance.

With the situation treated rather lightly by the author throughout, it was a jarring and unwelcome twist for this elderly and jaded reader when the adventure ended with the very abrupt deaths of five characters (two offstage), over only two pages, with one of the deceased certainly an innocent bystander!

Not one of Hall's better efforts, this goes on the bottom of the stack with TRAVELS OF SHERLOCK HOLMES. It gets three stars only because of the fine period writing style in which the improbable adventure is recounted.

A Great Read!

By Amazon Customer

Of the non-canon Sherlock Holmes books I've read, this one comes very close to the real thing! Hall has nailed it!

0 of 0 people found the following review helpful.

VERY PREDICTABLE BUT A NICE READ JUST THE SAME

By J. Black

VERY PREDICTABLE BUT A NICE READ JUST THE SAME. I READ ANYTHING THAT INCLUDES SHERLOCK HOLMES, AGATHA CHRISTIE, AND THAT WHOLE GENRE
