Is this a calling card from God ??

By MACASSO

I read this transcribed piece by Caspar McCloud with great interest. The topic of the Shroud is oft debated and surrounded by furious controversy. Caspar is a definite 100% believer in the Shroud's authenticity and states this boldly and with clear and concise information which does not get boring or too dense. If indeed this is a calling card from God through his presented Son, the Saviour Jesus Christ, then it is no doubt the most important artifact in existence....Many will claim otherwise. No doubt some will not want this to be the case for various reasons.

Caspar has again alerted me to the shimmering significance of this often viewed but essentially inscrutable and mysterious cloth. The fact that the Sudarium Of Oveido (kept separately from the Shroud and said to be the hanker chief which covered Jesus's face in the tomb as well as the Shroud) fits nearly and perfectly to this main Shroud is another bold and interlocking piece of a very great puzzle. Caspar's work along with Caroline Leaf, L.A. Marzulli and Dr MK Strydom regarding toxic thoughts and their effect on your mental and bodily health are also well worth reading and need to be given some major consideration. A worthy addition to Caspar's published works.

It has been said, "A man with an argument ...

By Gretchen Lopez

It has been said, "A man with an argument is never a match for a man with an experience." Well, in this case, Caspar McCloud is both! Both thought provoking and faith building, this book is a must for your spiritual

library.

Astounding truth!

By nutmeg

I had the privilege of reading a copy of this booklet. I honestly had no idea what the Shroud of Turin was. I had heard it spoken about, but didn't know what it was. This booklet is a clear, concise explanation of what it is and why we, as believers in Jesus Christ, should care. It is in question and answer format, which makes it a quick, easy read. Somehow, though, they packed it full of solid information. Shortly after I read this booklet, I read in Luke about Jesus' burial. Luke 23: 53 describes Jesus being wrapped in linen and laid in the tomb. This verse came to life for me after reading the details about the Shroud of Turin!
