These two are downright lovable! You are rooting for them to get together from the get go. The chemistry between them is smoking HOT, and...once they get in bed you will need a fan.~Guilty Pleasures Book Reviews

I feel I should start this review with a disclaimer. I am in no way a country girl. I chose to be a part of this tour because I am becoming a huge fan of Helen Hardt. I have read a few of her historical romances and was immediately swept up into the world of her characters and their lives... I became immersed in the world of rodeos, ranching, barrel racing... I mean like all in, and it was HOT!~Delightfully Dirty Reads

El Diablo strikes no fear in the heart of Dusty O'Donovan. The accomplished rider knows life holds much greater fears than a feisty stud bull. Diablo's owner, Zach McCray, is offering half a million dollars to anyone who can stay on him for a full eight seconds. That purse would go a long way helping rebuild Dusty and her brother's nearly bankrupt ranch.

Dusty and Zach 5 stars!

By wagner82

I went into this book blind, all I knew was that there were cowboys. So glad I started reading it, and I read it

straight through in one sitting! This book made me smile, broke my heart and put it back together and broke it again and then melted it. Loved how the chemistry between Dusty and Zach was palpable. Can't wait to read the next installment of this series!

A Must Read!!! Helen Hardt does it again!

By Karen Monasterio

I absolutely loved this book. I always love a good cowboy story and this one, by far, has been my favorite. I felt like I was right there on the ranch with Dusty and Zach. The love showed in every action and every word. I can't wait to read more about all the family members.

When I started this book I couldn't put it down. It pulls you in from the start. I laughed, cried, even got mad at times. There is good times an sad times.

She is al so a barrel racer an she wants to ride Diablo the bull that the owner is putting half million dollars on if anyone can stay on him for 8 seconds. No one has been able to an Dusty has to find out that the owner is non other than her friend Zach.

He tells her she can't ride him she determined to ride the bull.

Zach falls for Dusty hard an fast. Dusty realizes she has fallen for him to but she can't love him she doesn't know how long she has an she doesn't want to put him thru that.

Zach is hurt that she leaves he's mad an doesn't know what to do. His brother's take it upon themselves to find out what's going on with Dusty they know that they love each other.

Zach shows up at her ranch telling her he loves her an she tells him her secert. She knows it's not only her decision but his to make also. Their love is strong an powerful an they are together thru it all.

Volume 2 Cowboy an a Gentleman

Annie an Dallas, what can I say about these to, they both have been lied to hurt during their marriages. Annie was abused in her marriage over an over she stayed with him till she couldn't take it any longer. He beat her so bad an hurt her. She had him locked up in jail, a restraining order out on him. She moves away from NJ an comes to the little town in Co.to start over with her vet business. She meets Dallas an falls for him in a NY minute.

Dallas has just gone thru a divorce his ex Chelsea got what she wanted from him. He found out that she lied to him he didn't want no part of her anymore,

As soon as he sets eyes on Annie he wants her he falls for her hard.

You want to cry with her, laugh with them both an yes kick him where the sun don't shine.

He just want make the same mistake twice, that's his motto. He tries to get her off his mind but he can't do it.

He want listen to her as she tries to explain why she lied bout the pill with her ex husband. He loves her but

can't be with her.

She leaves broken hearted goes home feeling dejected no reason to stay and decides to leave town.

She walks into her house to find her ex husband there, he beats her she doesn't fight back since she has nothing to fight for. Her love wants her but doesn't want her...

His sister in law puts him in his place and admits some of what Annie told her. From all the information he hears he knows she was beat. He tries her phone no answer he knows something is wrong she always answers her phone. He knows he has lost Annie but will do anything to find her and get her back and win her love again.

Not to tell it all but to say Dallas has a lot of making up to do and prove he loves Annie, before he pays the ultimatum price. Love the stories can wait to read her other books in the series. I was given this book for an honest review and it's absolutely worth every star
