Scott Fitzgerald are completely checked out in a week and we need the responsibility to support reading The Great Gatsby By F. Scott Fitzgerald Just what about now? Do you still enjoy reading? Is reading only for you that have responsibility? Never! We here offer you a brand-new publication entitled The Great Gatsby By F. Scott Fitzgerald to read.

## Amazon.com Review

In 1922, F. Scott Fitzgerald announced his decision to write "something new--something extraordinary and beautiful and simple + intricately patterned." That extraordinary, beautiful, intricately patterned, and above all, simple novel became *The Great Gatsby*, arguably Fitzgerald's finest work and certainly the book for which he is best known. A portrait of the Jazz Age in all of its decadence and excess, *Gatsby* captured the spirit of the author's generation and earned itself a permanent place in American mythology. Self-made, self-invented millionaire Jay Gatsby embodies some of Fitzgerald's--and his country's--most abiding obsessions: money, ambition, greed, and the promise of new beginnings. "Gatsby believed in the green light, the orgiastic future that year by year recedes before us. It eluded us then, but that's no matter--tomorrow we will run faster, stretch out our arms farther.... And one fine morning--" Gatsby's rise to glory and eventual fall from grace becomes a kind of cautionary tale about the American Dream.

It's also a love story, of sorts, the narrative of Gatsby's quixotic passion for Daisy Buchanan. The pair meet five years before the novel begins, when Daisy is a legendary young Louisville beauty and Gatsby an impoverished officer. They fall in love, but while Gatsby serves overseas, Daisy marries the brutal, bullying, but extremely rich Tom Buchanan. After the war, Gatsby devotes himself blindly to the pursuit of wealth by whatever means--and to the pursuit of Daisy, which amounts to the same thing. "Her voice is full of money," Gatsby says admiringly, in one of the novel's more famous descriptions. His millions made, Gatsby buys a mansion across Long Island Sound from Daisy's patrician East Egg address, throws lavish parties, and waits for her to appear. When she does, events unfold with all the tragic inevitability of a Greek drama, with detached, cynical neighbor Nick Carraway acting as chorus throughout. Spare, elegantly plotted, and written in crystalline prose, *The Great Gatsby* is as perfectly satisfying as the best kind of poem.

## From Publishers Weekly

Robertson Dean's rich, deep voice sweeps us into this classic with the same straightforward narrative elegance Fitzgerald gives his narrator, Nick Carraway. Dean manages to be moving without dramatic exaggeration, and to distinguish characters, male and female, without resort to stereotyping. He reifies Jay Gatsby in all his ambition and naïveté, and paints Fitzgerald's complex picture of love, power, money, and hypocrisy with simple sonority. This audio is a wonderful experience for old fans as well as first-time Fitzgerald readers, and it comes with a companion e-book. (Dec.)

From School Library Journal

Grade 9-12—Using a combination of live-action footage, animation, and colorful graphics, this interactive study aid guides students chapter-by-chapter through the text of F. Scott Fitzgerald's classic (Scribner's, 1925). Each chapter is broken down into easily manageable chunks, covering all of the characteristic items that come up on tests and are useful in writing essays: character development, thematic elements, pivotal plot points, and motivation. The analysis is followed by an interactive quiz for each chapter. This study guide differs from other text-based study aids by offering a fast-paced visual presentation. Although the interface is fairly intuitive, no information on how to navigate the DVD is included. There are about a dozen of these guides available for titles ranging from *Macbeth* to *The Crucible* to *1984*. The guides are subtitled in Spanish. This useful and engaging study aid would be a good purchase for both school and public libraries.—Charli Osborne, Oxford Public Library, MI

A Comprehensive, Inspiring Text on Living Your Best Life

By RosannaPR

I've read *Chicken Soup for the Soul*, seen him in *The Secret*, listened to one of his free audio talks, and have generally associated Canfield as a self help A-lister. I've always liked his approachable, easy to understand style this book is no different. It outlines 64 principles for living a life of passion, purpose and success covering everything from goal setting to friendships to facing your fears to managing your money. For those of you who have read countless self help books, you'll likely have heard many of them before. I certainly skimmed through a number of chapters, while others I found more valuable.

The length of the book is certainly overwhelming, but it is divided into chapters that are brief and concise. Canfield injects lots of exercises and processes into the book making it difficult to keep up (I did some, ignored others), but they are worthwhile. The *Success Principles* covers everything, so if you're looking to focus on a very specific topic, this isn't the right read for you. But it is a great book to have in your library, one to turn to for inspiration and one worth coming back to, especially when there's a topic you want insight

on or challenge that you're looking to work through.

If there's a Great American Novel, this is it.

By mulcahey

This must be the third time I've read "Gatsby," and on every read it gets richer, this time almost symphonically so. It's about almost everything, but mostly it's about who we are as Americans and American dreamers. The novel's big scenes are beautifully observed and hair-raisingly played, and its reflective passages are always trenchant and necessary. I'm not always a Fitzgerald fan, but I don't think it's possible to overpraise his work here.

One thing I find completely baffling has nothing to do with the book. How do all the "Gatsby" movies manage to get the story so wrong?
