You conserving can lead you to evoke the ease of you in reading this book Trevor: A Novella By James Lecesne Even this is types of soft documents. You could actually make better chance to get this Trevor: A Novella By James Lecesne as the suggested book to read.

From School Library Journal

Gr 6-9-Trevor, a successful play and film in the early '80s, spawned the Trevor Project, an LGBT help line for young people struggling with their sexual identity. This is the updated book version, told in Trevor's voice, which is engaging, funny, and appealing. Trevor is an outgoing, quirky 13-year-old, an only child who drives his busy parents a little nuts. In the opening chapter, he is lying on the lawn, seemingly with a knife in his back, trying to get the attention of his father, who is cutting the grass around him. He is a Lady Gaga fan and plans to dress up as her for Halloween. However, his friends start to draw some conclusions and avoid him. Subsequently, he is forced into a humiliating counseling session with his parents' priest about sexuality and then bullied at school. The culmination of this angst and misery results in a suicide attempt. Homosexuality as a theme in teen literature was not as common (even prolific) as it is now, so this novella is not as memorable as it would have been 30 years ago. Because the story is so brief, there is little buildup to the point where Trevor makes the decision to take his own life. His suicide attempt seems rather abrupt and detracts from the impact it could have made on readers. The book is relatively solid in its development of a unique character, more so than as a commentary on homophobia. Pencil sketches add an engaging component, but the story lacks depth.—Corrina Austin, Locke's Public School, St. Thomas, Ontario, Canadaα(c) Copyright 2013. Review

"Lecesne has updated Trevor's world from the original story, incorporating modern elements like Gaga and Facebook while still maintaining the innocence and optimism that makes the teen so lovable and sympathetic."—Daily Xtra

"A beautiful, moving, funny, original book is rare at any time. A beautiful, moving, funny, original book that can dramatically alter young lives arrives about as often as the blooming of the century plant. Trevor is not only a remarkable book, it's an important book."—Michael Cunningham

"Lecesne nails Trevor's personality and voice, a combination of self-assuredness, sharp humor, and enthusiasm. The author also contributes pencil drawings that are as affecting as the prose; the gentleness of his shading echoes Trevor's softness, which the world is more than ready to harden."—Publishers Weekly

"Trevor is important because its protagonist does not represent a single character, but serves as a vessel for the joy, despair, and alienation that LGBTQ youth can encounter every day at school and at home."—Porter

It will add more knowledge of you to life and also work far better. Trevor: A Novella By James Lecesne, Try it and prove it.

TREVOR: A NOVELLA BY JAMES LECESNE PDF

Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-racking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harrassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings "are so intense it makes you just want to lay down and die rather than go on feeling it," and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living.

Trevor is an update of the film version of the story, directed by Peggy Rajski, which won the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

A Great Book For Reluctant Readers

By Christina

What is it like to be a LGBTQ teen these days? To be bullied and insulted and alienated every day of your life? To be misunderstood by even your parents?

Trevor explores these issues in a funny, touching and very real way.

It's a short book, but it's written well and it might appeal to more reluctant readers. Yes, yes, there are books out there that are longer and probably better-written, but Trevor is a good 'stepping-stone' book for LGBTQ kids.

I truly hope that ALL parents and all school libraries will keep this book on hand. It just might save a life.

I Loved the Book and the Boy!

By Donna Hanover

"Trevor" is about a boy whose observations on his world come out with entertaining irony. Why does he feel so often like the odd man out? His parents love him dearly, but can't quite understand him. They try, like when his mom says, "Would it kill you to go over and ask that gang of boys if they needed an extra outfielder...?" Trevor does develop a wonderful friendship with cool-guy Pinky Faraday, convincing him and the rest of the baseball team to audition for The Drama Club production of "Anything Goes." And then it all goes south. Trevor is a funny, sad, sweet, hilarious story designed to reach out to young people in the LGBT community and other folks, too. Meet him. I loved him.
