... cannot recommend it highly enough.

By Courtney T Wallhoff

I had the privilege of receiving an advance copy of this study guide and cannot recommend it highly enough.

I really like that this guide is suitable for either individual or group use. I used it on my own and found it to be a perfect compliment to Brown's (obviously fantastic) book. Pritchard's questions are thought-provoking, her use of Scripture is solid, and her guide really can take a reader's experience of *The Gifts of Imperfection* from being just a good read to being an amazing tool to better understand who we are in Christ. I am looking forward to using it in a group setting. I think the questions and short stories will bring out some very meaningful discussions regarding shame, perfectionism, self-acceptance, and identity in the life a believer. For those using this guide in a group setting, Pritchard even includes a short set of guidelines in order to maintain a safe and positive environment which I think will set a great tone for any group. So...grab a few friends and head on a journey together toward living more fully in the freedom that Jesus has already given you!

Be Blessed, Be Challenged, and Be Changed!

By Clarence Pritchard

Leah has done a remarkable job in applying biblical insights to the ideas presented in "The Gifts of Imperfection." She invites the reader to consider the book in light of the life-changing power of Jesus Christ. The questions gently lead the reader from the head to the heart so that head knowledge becomes true heart change. Leah's writing gift comes through on every page. I found it easy to read and very encouraging because it brought me back again and again to the all that we have in Christ. I am glad to give it my highest recommendation. Read it--be blessed, be challenged, and be changed by the power of Jesus working in your life.
