EXCELLENT READ!

By Alexander Halter

I was so pleased to discover that Michelle Yu had published another book. Her first book was a great read and the 2nd one did not disappoint. I know they say this all the time, but I really could not put it down. The book does an excellent job of weaving story telling with entertainment. No doubt, it's a book I will read again and that's saying allot.

I wanted to get to her book signing in New York City but could not, maybe I'll get to meet her when the 3rd book is published.

Anyway, it's a great read and would make a great gift for both men and women.
